

POLYU SUMMER INSTITUTE 2026

Spend your summer in Hong Kong – a fun and dynamic city to study and live in!

- Unique fusion of Eastern and Western cultures
- A home to the world's top 100 universities including PolyU
- Experience university life, explore subjects, and meet new friends from Hong Kong, Chinese Mainland, and overseas!

27 – 31 JULY 2026 (5 DAYS, 4 NIGHTS)

RESIDENTIAL CAMP

- Live on campus
- Participate in day-long attachment programmes led by PolyU Faculties and Schools
- Enjoy inspiring mini-lectures on Artificial Intelligence and Data Analytics (AIDA), and Innovation and Entrepreneurship (IE)
- Immerse yourself in a vibrant campus community

3 - 7 AUGUST 2026 (5 DAYS)

ACADEMIC SUBJECTS

- Credit-bearing and non-credit-bearing options available
- Explore a diverse selection of subjects, including applied social sciences, computing & AI, engineering, construction, science, humanities, design, fashion, and more
- Live on campus
- Transfer credit upon admission to PolyU (for credit-bearing subjects)
- Sponsorships available (HK\$1,000 in cash)
