OFFICIAL INVITATION TO PARTICIPATE IN THE GLOBAL CLASSROOM SUMMIT 2026

Dear Sir/Madam,

On behalf of **Sunflower Trilingual School, Thailand**, it is our great honor to formally invite your esteemed institution to participate in the **Global Classroom Summit 2026**, an international academic initiative organized in partnership with **the Singapore Institute of Management (SIM), the Institute for Innovative Learning, Mahidol University, Thailand, and in collaboration with the Ministry of Education's Primary and Secondary School International Educational Exchange Alliance (Region IV Office), Republic of China (Taiwan).**

With the theme “**Global Innovations for Sustainability in the Age of Artificial Intelligence,**” the summit seeks to bring together outstanding young learners from around the world to explore pressing global challenges and develop innovative, sustainable, and socially responsible solutions. Through meaningful international collaboration, interdisciplinary learning, and academic exchange, participants will be encouraged to strengthen the knowledge, skills, and leadership competencies necessary to thrive in an increasingly interconnected and rapidly evolving world.

The summit is open to students in **Grades 7–12** and features the **Global Innovation Challenge**, an international academic platform that encourages students to conceptualize and propose innovative solutions to environmental, social, technological, and sustainability-related issues affecting both local and global communities.

Each participating institution may register **one (1) team** consisting of **three (3) to five (5) student delegates**, accompanied by **one (1) teacher adviser or school coordinator**.

Upon registration, participating teams will be invited to submit an **Innovation Capsule Proposal** for international evaluation. Following a rigorous review process conducted by a distinguished panel of academics, educational leaders, researchers, and industry professionals, the **Top Five (5) proposals** will be selected as official finalists.

Finalist teams will be invited to participate in the **onsite Global Classroom Summit 2026**, which will be held in **Thailand from 16–18 September 2026**. During the summit, finalists will present their innovations before an international panel of judges and delegates while engaging in academic forums, leadership development sessions, cultural immersion experiences, educational visits, and collaborative networking opportunities with participants from various countries.

Important Dates

- **Registration Deadline:** 30 June 2026
- **Innovation Capsule Proposal Submission Deadline:** 5 August 2026
- **Announcement of Finalists:** 12 August 2026
- **Onsite Global Classroom Summit:** 16–18 September 2026

To support the participation of finalist teams, the Organizing Committee will provide **complimentary accommodation, meals during official summit activities, airport transfers, local transportation, educational and cultural field experiences, and full access to all summit programs**. Participants will be responsible for **international airfare, passport and visa requirements, travel insurance, and personal expenses**.

Please find attached the **Global Classroom Summit 2026 Participant Guide**, which contains comprehensive information regarding the summit framework, participation requirements, Innovation Challenge procedures, important deadlines, and program activities.

We sincerely hope that your institution will accept this invitation and join us in this meaningful international endeavor. We believe that the participation of your students and educators will contribute significantly to the exchange of ideas, the advancement of innovation, and the promotion of sustainable solutions to contemporary global challenges.

Should you require any additional information or clarification, please do not hesitate to contact us. We would be delighted to assist you and look forward to the opportunity of welcoming your institution to the **Global Classroom Summit 2026**.

With sincere appreciation,

The Organizing Committee
